CLAN (Cancer Link Aberdeen & North is a registered charity no. SC 022606 and a Company Limited by Guarantee in Scotland No. 140582

Wish List Public

CLAN 123
cancer support for all

1 charity has 2 years to raise 3 million pounds

We need YOUR help to reach £3 million

We will be making applications to funding bodies and trusts, seeking support from the corporate sector and CLAN will be organising many fund raising events.

However to reach our £3 million target we will also need the public's support – this is where you can help. Any donation you can make really will make a difference – "Every Penny Counts".

The new CLAN House will have more therapy rooms and the new CLAN Haven will offer more accommodation. We will be taking much of our existing furniture with us however we will require additional furniture and fittings.

We have prepared a sample 'Wish List' so that you can see what your £1 will buy : (for full list please contact CLAN Fundraising Team)
